Approval of Minutes

On the motion of Chad Arlington, seconded by Ginny Hughes, to accept the minutes of the February 10th regular monthly meeting.

Vote: 3 Ayes (Cousins, Arlington, Hughes); 0 Nays 0 Abstain. Carried.

Unfinished Business

Discussed solar regulations. We reviewed the regulations from Hartland and Ridgeway. Village would be responsible for filing a SEQRA. Michael suggested using a site plan application for ground mounted solar systems. Kelly suggested that we table this until more planning board members were present.

New Business

David Kent, representing the estate of Sarah Brinsmaid/Bruce Krenning executor, spoke to the board about subdividing the estate. They are considering 3 parcels to subdivide. The majority of acreage would be sold as farm land. The subdivision would be approximately 10 acres near the residence and South Main Street. Parcel one would be the house, barn, shed, pool including approximately 1 acre of land. Parcel two would be approximately 5 acres behind the house and north of the house. Parcel three would be approximately 4.5 acres to the southwest of the house. Kelly thanked David for coming to the meeting and suggested that they submit a sketch plan.

After David concluded the committee had a short discussion about possibilities of problems for subdividing. We will check into where it would be appropriate to add a "no residential buildings on subdivided land" clause.
