PRIVILEGE OF THE FLOOR:

- Vernon Fonda stated he is now the president of the Lyndonville PTA. He stated he has spoken with some locals that would be willing to donate toward better fishing access. He also stated that the current group of Eagle Scouts would be too young to assist in the fishing access project. Mr. Fonda proposed putting a floating dock below the dam. The Board stated they appreciated Mr. Fonda's enthusiasm however they would need to see engineered plans that would need to be approved by the U.S. Army Corp of Engineers. Clerk-Treasurer Woodworth stated the Army Corp is currently waiting on the paperwork they have submitted to come back before they schedule an on-site visit to access anything sort of necessary repairs.
- Christine Zanarek would like to have chickens within the Village limits. The Village Zoning currently doesn't allow for chickens. Ms. Zanarek is requesting the Village Board consider changing the Zoning to allow for chickens. Ms. Zanarek would like to have 5 to 6 chickens, no roosters and plans to compost the manure for her gardens. The Board questioned if Ms. Zanarek was aware that the manure cannot be disposed of in her normal trash pickup. Ms. Zanarek would like to be able to butcher the hens when egg production stopped. Ms. Zanarek stated she believes the City of Buffalo and New York City allow for chickens. The Board asked Ms. Zanarek to provide the Board with some research and documentation of similar size municipalities that have Zoning to allow for chickens and they would review it.

NEW BUSINESS:

- Orleans County Resolution No. 110-314

RESOLUTION CALLING ON NEW YORK STATE LEGISLATURE TO REJECT GOVERNOR CUOMO'S PLANS TO REWARD PRISON INMATES BY PROVIDING THEM WITH COLLEGE EDUCATIONS AT TAXPAYER EXPENSE

WHEREAS, the purpose of prison is to punish those who have engaged in behavior that is morally and legally wrong, dangerous, threatening, or severely antisocial, including murder, rape, theft, and distribution of narcotics, among other serious crimes; and

WHEREAS, incarcerated individuals represent a continued threat to society, and are not deserving of rewards, but rather punishment for their actions; and

WHEREAS, on February 16, 2014, Governor Andrew Cuomo proposed providing this segment of society with taxpayer-funded college tuition at a cost of \$5,000 per inmate, a benefit unavailable to the children of the productive, law-abiding taxpayers who will be forced to finance Mr. Cuomo's scheme; and

WHEREAS, Governor Cuomo expressed no concern for the educational opportunities lost by many of the victims of the hardened criminals he wishes to treat as valued members of society, most notably those who were murdered by such criminals; and

WHEREAS, any education funds for the Governor's proposal should be allocated to local school districts in order to provide our young people with the tools and skills they need to be productive members of our society so that they are not left behind; and

WHEREAS, an investment in our youth will have a greater positive impact on the lives of our next generation of citizens, and therefore will over the long term be far more effective as a crime deterrent than the current proposal; and

WHEREAS, the Legislature of the County of Orleans endorses the notion that prison is punishment, and convicted inmates are undeserving of rewards; now, therefore be it

RESOLVED, that the Legislature of the County of Orleans considers Governor Cuomo's proposal an outrageous insult to the law-abiding taxpayers of this state and county; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans does hereby call upon its representatives in, and the leadership of, the New York State Senate and Assembly to reject this radical proposal and similar liberal meddling with the institution of justice; and be it

FURTHER RESOLVED, that the Legislature of the County of Orleans calls upon the Governor to withdraw this proposal and provide those funds to local school districts or financial aid to students who want to attend college who cannot afford it on their own; and be it

FINALLY RESOLVED, that the County of Orleans shall forward copies of this Resolution to Governor Cuomo, Senate Vice President Pro Tem George D. Maziarz, Senate Temporary President Dean G. Skelos, Senate Deputy Majority Leader Thomas W. Libous, Senate Majority Coalition Leader Jeffrey Klein, Member of the Assembly Stephen Hawley, Member of the Assembly Jane L. Corwin, Speaker of the Assembly Sheldon Silver, Assembly Majority Leader Joseph Morelle, Assembly Minority Leader Brian M. Kolb, NYSAC, InterCounty Association of Western New York, Orleans County Towns, Villages and School Districts, and all others deemed necessary and proper.

- Orleans County Resolution No. 125-314

URGING STRUCTURAL REFORM OF THE STATE DEDICATED HIGHWAY AND BRIDGE TRUST FUND (DHBTF)

WHEREAS, local governments are responsible for an increasing proportion of the statewide highway and bridge system, including eighty-seven percent of the State's 110,000 miles of roadways and fifty percent of the State's 18,000 bridges; and

WHEREAS, a safe and efficient highway infrastructure is necessary for trade, economic development and revitalization, job creation and retention, schools, agriculture, businesses, health and hospital facilities, emergency responders, as well as the general traveling public; and

WHEREAS, The New York State Comptroller has for two years in a row issued reports calling for the reform and restructuring of the Dedicated Highway and Bridge Trust Fund as taxpayers have paid billions in taxes and fees into a fund that was created to keep our roads and

**Regular meeting of the Trustees, Village of Lyndonville was held on Monday, April 14, 2014 at the Village Hall.
Meeting opened at 7:01 p.m.**

bridges in good repair and more than three-quarters of this money is siphoned off to pay for borrowing and operating costs of state agencies, leaving fewer dollars for improving our infrastructure; and

WHEREAS the State's Dedicated Highway and Bridge Trust Fund was originally designed in 1991 as a pay-as-you-go financing method to support the state's transportation programs and purposes, using revenue from highway taxes, motor vehicle taxes and fees, petroleum business taxes and a number of smaller resources; and

WHEREAS, in an analysis of the State Budget, the State Comptroller reveals that less than 24 percent of the state's Dedicated Highway and Bridge Trust Fund (DHBTF)—originally established to fund transportation on a pay-as-you-go basis—is actually available for transportation capital this fiscal year. This is because total debt service on state bonding paid from the DHBTF is over 40 percent of all DHBTF disbursements; and

WHEREAS, State operations costs also consume an enormous share of the fund: nearly \$1.6 billion in the last fiscal year, including the costs of snow and ice removal by the Department of Transportation and day-to-day staff expenses at the Department of Motor Vehicles and other non-capital expenditures; and

WHEREAS, the structural deficit in the DHBTF will require a state general fund transfer reaching \$787.5 million in State Fiscal Year 2017-18, according to state budget documents; and

WHEREAS, legislation has been introduced in both houses of the Legislature seeks to reform the DHBTF by ensuring that money dedicated through the fund be used for highway and bridge construction and repairs and not diverted for non-capital uses; and a bill to enhance revenues to the DHBTF from heretofore un-committed state gasoline tax receipts is being considered by the Senate; and

WHEREAS, dedicated revenue enhancements must be considered to insure the long term financial stability of the DHBTF and to attain adequate levels of state support to local roads and bridges; now, therefore be it

RESOLVED, that the Orleans County Legislature does hereby urge the Governor and the Legislature of the State of New York to develop a multi-year plan to return structural balance to the DHBTF in order to ensure its ability to meet the State's highway and bridge capital needs today and in the future by, among other actions, adopting the aforementioned legislative initiatives; and be it

FURTHER RESOLVED, that copies of this resolution be sent to NYSAC and Western NY Inter County encouraging member counties to enact similar resolutions; and be it

FURTHER RESOLVED, that copies of this resolution shall be forwarded to Governor Andrew M. Cuomo, State Senator George Maziarz, Assembly Member Stephen Hawley, Assembly Member Jane Corwin, all Towns and Villages in Orleans County, and all others deemed necessary and proper.
