Meeting opened at 6:00p.m.**

Report – Superintendent Woodworth

- Water Tower - Superintendent Woodworth received the inspection back on the Water Tower. He will forward an electronic copy to the Board for their review. He noted that there are several things that the DPW can address themselves, he feels the focus needs to be put on painting the inside of the tank.
- 4th of July Parade Permit - Superintendent Woodworth has submitted the parade permit for the annual 4th of July celebration.
- Flushing Hydrants - Superintendent Woodworth noted they will be flushing hydrants on June 6th, 7th and 8th.
- Waste Water Treatment Plant - Superintendent Woodworth noted he's had another non-compliance this month with the Waste Water Treatment Plant he will be sending in a report on. He mentioned the DEC will probably require a check for any roof drains and sump pumps connected into the sanitary sewers with having two non-compliance months.

Report – Trustee Kage

- Orange Fence - Trustee Kage expressed her concerns with youth fishing inside the orange fence hear the Dam. Superintendent Woodworth stated he will look into seeing what can be done to tighten it up so they can get inside it.
- Cats - Trustee Kage noted she received a text message from Claudia Smith, Joyce Robinson's daughter expressing her concerns about the cat situation and that she doesn't feel its getting any better. Trustee Kage noted that one of Mrs. Smith's concerns was cats that don't belong to Mrs. Leonard being taken to get fixed and bringing them back, she wondered why if they weren't Mrs. Leonard's were they being returned to the community. Trustee Kage noted that's how some of the agency's work when providing lower costs for spaying and neutering is to catch, fix and release back to their habitat. Trustee Kage will go back to Mrs. Leonard's family and see what can be done about removing more cats from the property.

Report – Trustee Woodward Jr.

- Public Safety Committee - Trustee Woodward Jr. met with Chief Bane to inform him of the bi-annual meetings set at the last special meeting.
- Trustee Woodward Jr. noted he also mentioned to Chief Bane that the Village is looking into if the funds from Lyndonville #66 can go into the NYCLASS account for the Fire Department.
- Trustee Woodward Jr. asked if the Village could send a letter to the Lyndonville Baseball and Softball teams acknowledging their accomplishments this year on their division titles.

- Water Rate Assessment – Nothing was discussed
- Grant Writer - Ad-Hoc Chairman Darren Wilson submitted a letter to the Village Board looking for commitment to hire Ed Flynn from Labella Associates to start the process to see what funds are available for the Village of Lyndonville for many different areas of need. The Board noted funds will be made available to hire a grant writer if Mr. Wilson could obtain a quote for what exactly was included in the proposed cost of \$5,000.00. It was mentioned of possibly splitting the cost with the Town of Yates.
- Tree Committee - Superintendent Woodworth is working on the committee he has a couple of volunteers but still needs to look into a few things.
